

13 - ROCK CREEK (M 7.5) - Park on USFS land SW of creek, walk down creek from N end of bridge. Fish pool just below. Large back eddy, more suitable for spin-casting.

14 - TALUS RAVINE (M 8.76) - Left bank. Descend rock to gravel bar. 200 yds soft inside, big outside. Some willows cause trouble at high water.

Gordon Gorge (M 10.1)
USFS trail head, down 0.5 mi to small gravel beach

Kelsey Crossing (M 10.5)
USFS trail head, down 1.0 mi to low water rocky-bottom ford at Canthook Ck

15 - RATTLESNAKE SLIDE (M 11.6) - At call box? 200' down on sand and boulders to middle of long (1 mi?), big riffle. Not likely at high water.

16 - RATTLESNAKE HOLE AND RIFFLE - Big inside gravel bar.

17 - BROWNS HOLE

Redwood Flat (M 12.3)
USFS trail head. Park in large turnout, two trails down. One follows creek, other beyond.

18 - STEVENS RIFFLE - Left bank, easy access below bridge, 100 yds of gravel bar, soft inside, fast outside. OK in high water.

Steven Bridge (M 13.0)
USFS access, toilet, boat launch

Goose Creek (M 13.6) USFS
4x4 road down to plateau, then walk toward V in far shore hills

Swimming Hole (M 13.8) Public, small unsigned parking area. Down trail, across tiny creek

G-O Bridge (M 14.0) Public access right bank down tricky slope. Left bank, north bound POSTED

23 - HURDYGURDY HOLE - Beautiful left bank bar, riffle and pool seems unavailable due to cliff and posting.

19 - STEVENS BRIDGE POOL - Large pool, fishable from gravel bar even in high water.

20 - GOOSE CREEK HOLE - Big back eddy, spin cast in high water.

21 - SWIMMING HOLE - deep pool, glide in high water, behind large bedrocks.

22 - G-O BRIDGE - Right bank gravel bar and pool under bridge, riffle below.

24 - JONES CREEK HOLE - Right-bank bar and hole, apparently unavailable behind PRIVATE land.

JONES CREEK - FISHING LIMIT

Big Flat (Map 4)
